FOR THOSE USING OUR MOTORCOACH TRANSPORTATION

Parents, please have campers at the pickup site at least 20-30 minutes prior to departure for loading. Since we need to be on time for the next pickup point, we cannot hold the bus for late arrivals. Please pack a lunch and beverage for the trip to camp only. All remaining food or drink items will be discarded upon arrival to camp. Once campers board the bus, they are not allowed to get off the bus until they reach camp. There is a bathroom on the bus. We will pack a lunch for the trip home. A maximum of 2 bags per camper is allowed! (for example, a tote box or suitcase for clothes & a bag for sleeping bag & pillow) Do not send electronics such as an Ipad, game boy or CD player for the trip - there are movies on the motorcoach and 50 other campers to get to know!
